What information do we collect?

Onyx Lifestyle collects information on the Site at two different stages. First, we collect anonymous aggregate information (such as a domain name or IP address) from all visitors to the Site. This type of information is never linked to any personally identifiable information and is only used in the aggregate to general statistical reports about the use of the Site.

Second, we require the submission of certain personally identifiable information when you use the services available for the site. We collect information from you when you register on our site, place an order or fill out a form. When ordering or registering on our site, as appropriate, you may be asked to enter your: name, e-mail address, mailing address, phone number, credit card information, banking information or social security number. You may, however, visit our site anonymously.

Like most websites, we use cookies and/or web beacons to enhance your experience, gather general visitor information, and track visits to our website. Please refer to the 'do we use cookies?' section below for information about cookies and how we use them.

What do we use your information for?

Onyx Lifestyle collects a variety of information for many different purposes that are related to the use and sale of our products. These purposes include product interest and purchasing trends, credit information, payment information, contact information, usage information as it relates to our products, service requirements. We do this to develop a good understanding of your needs, analyze those needs and respond to those needs. This is done to identify products and services offered by our company, affiliates or by other companies that we believe could be of interest to you. When doing so, we may offer these products or services to you for your purchasing consideration.

Further to the above, any of the information we collect from you may be used in one of the following ways:

- . To personalize your experience (your information helps us to better respond to your individual needs)
- . To improve our website (we continually strive to improve our website offerings based on the information and feedback we receive from you)
- . To improve customer service (your information helps us to more effectively respond to your customer service requests and support needs)
- . Perform internal operations necessary to provide our services, including to troubleshoot software bugs and operational problems, to conduct data analysis, testing, and research, and to monitor and analyze usage and activity trends.
- . Verify your identity
- . To process transactions. Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested.
- . To administer a contest, promotion, survey or other site feature
- . To send periodic emails. The email address you provide for order processing, may be used to send you information and updates pertaining to your order, in addition to receiving occasional company news, updates, related product or service information, etc.
- . Legal proceedings and requirements. We may use the information we collect to investigate or address claims or disputes relating to your use of Onyx Lifestyle's services, or as otherwise allowed by applicable law, or as requested by regulators, government entities, and official inquiries.

Note: If at any time you would like to unsubscribe from receiving future emails, we include detailed unsubscribe instructions at the bottom of each email.

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information when you place an order or access your personal information. Protecting the security of your personal information is very important to us.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our payment gateway providers database only to be accessible by those authorized with special access rights to such systems, and are required to keep the information confidential.

After a transaction, your private information (credit cards, social security numbers, financials, etc.) will be kept on file for more than 60 days in order to facilitate future orders as some customers maintain ongoing, monthly purchasing transactions with our company.

If you register with us, your online account information is protected by a password chosen by you. Access to that online account requires your username and password. We recommend that you do not disclose your username and password to any other person. To prevent unauthorized access or disclosure, maintain data accuracy, and ensure the appropriate use of information, we have put in place appropriate physical, electronic and managerial procedures to safeguard and secure the information we collect online. We use the latest in encryption technology when collecting or transferring sensitive data, such as credit card and bank account information.

When registering for access to a secure area of the Site, we will ask you to select a username and password. We recommend that you do not divulge your password to anyone. We will never ask you for your password in an unsolicited phone call or in an unsolicited email. Also, remember to sign out of the registered site and close your browser window when you have finished your work. This is to ensure that others cannot access your personal information and correspondence when accessing your computer.

Do we use cookies?

Yes (Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the sites or service providers systems to recognize your browser and capture and remember certain information.

We use cookies to authenticate users, help us remember and process the items in your shopping cart, understand and save your preferences for future visits, keep track of advertisements and compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future. We may contract with third-party service providers to assist us in better understanding our site visitors. These service providers are not permitted to use the information collected on our behalf except to help us conduct and improve our business.

Do we disclose any information to outside parties?

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others rights, property, or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses. Further to this, we may use customer identifiable information to investigate and help prevent potentially unlawful activity or if required by subpoena, search warrant, or other legal process. We may also allow others to provide audience measurement and analytics services for us, to serve advertisements on our behalf across the Internet, and to track and report on the performance of those advertisements. These entities may use cookies, web beacons, SDKs, and other technologies to identify your device when you visit our site and use our services, as well as when you visit other online sites and services.

Third party links:

Occasionally, at our discretion, we may include or offer third party products or services on our website. These third-party sites have separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. Nonetheless, we seek to protect the integrity of our site and welcome any feedback about these sites.
